Welcome

Dear Customer

Welcome to the c2c December 2011 timetable. This timetable brings one of the biggest improvements for many years, a big increase in the number of morning and evening peak calls at West Ham. This is something we promised as part of our franchise extension as we know West Ham has been steadily growing in importance with its links to Canary Wharf, Stratford, and the West End. Following improvements to signalling we are now able almost to treble am and pm peak hour calls. To do this we have slightly retimed some services, so do please check the times of your train. We had 120 comments from you following the trial timetable day in August 2011; we've listened carefully and built in many of your suggestions.

Do tell us what you think, either at c2c.customerrelations@nationalexpress.com or tweet us at [c2c_Rail](https://twitter.com/c2c_Rail).

Throughout 2011 c2c trains have been the most consistently punctual in the country. We plan to stay ahead through 2012 and keep giving you the best service in the country.

We've also been busy at work on station improvements across our network including opening the new Southend East station. There is much more coming at Pitsea, Laindon, Tilbury Town, Chafford Hundred and Shoeburyness. We hope you like what we are doing.
