Priority Seat Badge

What are c2c Priority Seats?

All c2c trains have a number of designated Priority Seats for people who are disabled, pregnant, or less able to stand. Although anyone can sit in a Priority Seat, they should be given up to those people who need them most. Priority Seats are generally found near to the carriage doors and can be identified by Priority Seat signage.

We know that sometimes it is not obvious when someone is less able to stand, and that it can often be uncomfortable if you have to explain why you need to use a Priority Seat. That is why we have introduced the c2c Priority Seat Badge.

If you meet any of the criteria listed in the following section you can apply for a free c2c Priority Seat Badge. The badge can be worn to show somebody occupying a Priority Seat that you require a seat while travelling.

How to apply for a c2c Priority Seat Badge

Apply for a c2c Priority Seat Badge at c2c-online.co.uk/travelling-with-us/assistance/priority-seat-badges or by filling out this form and returning it to the c2c Customer Services freepost address stated on the back of this leaflet along with:

- A copy of your proof of address
- A copy of proof of eligibility for badge (see criteria section for accepted documents)

Once we've received your application, and have reviewed your eligibility for the scheme, your c2c Priority Seat badge will arrive within 5-10 working days.

Criteria for applications and proof of eligibility required

If you have a disability or medical condition that affects your ability to stand please send a copy of one of the following:
